

## Higher Education in the United States An Encyclopedia

2 Volumes

James JF Forest and Kevin Kinser

The encyclopedia makes accessible to everyone a multitude of information, scholarly interpretations, and a historical context for what we know about higher education in the United States.

**Higher Education in the United States** covers the entire spectrum of higher learning, from academic freedom to virtual universities, from campus crime to Pell Grants, from the Student Privacy Act to issues of student diversity.

### Features and Highlights:

- Includes more than 200 entries from more than 150 higher education scholars and experts around the country
- Includes a concise bibliography to guide further study
- Each entry ends with full references and suggestions for further reading
- Provides a historical context for what we know about higher education, with an emphasis on changes and developments since World War II
- Explores critical perspectives on the challenges facing postsecondary education in the United States

**James JF Forest** is Assistant Dean for Academic Assessment and assistant professor of political science at the United States Military Academy–West Point, New York.

**Kevin Kinser** is assistant professor in the Department of Educational Administration and Policy Studies at the State University of New York at Albany.

**\$185.00**
